Schoolcraft v. The City of New York, et al.,
10-cv-6005 (RWS)

Dear Judge Sweet:

As one of plaintiff's counsel, I write to clarify our position on the scheduling for oral argument and for the opposition to the plaintiff's April 11, 2016 letter motion to strike the City Defendants' "expert" report. As we informed counsel for the City Defendants, we have no objection to adjourning the oral argument date on the pending fee motions to May 4th, which is a day that all counsel have agreed upon. In addition, we have no objection to the City Defendants' request for an adjournment from April 26, 2016 to May 3, 2016 to file opposition papers on the letter-motion to strike the expert report. Thus, to the extent consistent with the Court's schedule, we request that the Court enter an order that opposition to the motion to strike be filed on or before May 3, 2016 and that oral argument on the fee motions be held on May 4, 2016.

Respectfully submitted,

Nathaniel B. Smith
